

## **Mental Health Therapist**

**Location:** Lawrence, Orange, & Crawford Counties

Put Your Passion for Compassion to Work at Southern Indiana Community Healthcare!

For 50 years, Southern Indiana Community Healthcare (SICHC), a Federally Qualified Health Center (FQHC), has been dedicated to serving Orange, Lawrence, and Crawford counties. We provide integrated care, treating the whole person with a team-based approach that includes Primary Care and experienced licensed therapists all under the same roof.

We are seeking a dedicated Mental Health Therapist to join our team. You will work directly with individuals dealing with mental health issues and addiction, providing individual/group therapy to adults, adolescents, or children with mental health and/or substance abuse diagnoses. You'll be part of an interdisciplinary team advancing care through assessment, diagnosis, treatment planning, and documentation in an electronic medical record system.

### **Why Work with Us?**

- Competitive salary and comprehensive benefits package, including generous paid time off
- Flexible scheduling options and opportunities for career advancement
- Potential loan forgiveness opportunities
- On-the-job supervision by licensed professionals for those pursuing licensure (LCSW)
- Annual training stipends for CEUs to maintain licensure
- A progressive, supportive work environment dedicated to helping both staff and clients succeed

### **Education & Experience:**

- Master's degree in Social Work/Counseling/Psychology or related field (Required).
- 1 year of experience in mental health care (Preferred).

### **License/Certification:**

- LCSW (Preferred): Licensed Clinical Social Worker
- LSW: Licensed Social Worker
- LMFT: Licensed Marriage and Family Therapist

-LMHC: Licensed Mental Health Counselor

Join our compassionate team and make a real difference in people's lives!

If you're changing careers, seeking new challenges, or looking for a meaningful and rewarding role in mental health care, we encourage you to apply!
